About the Napa Pain Conference

SINCE 1990

Advancing Pain Medicine

As one of the earliest conferences in pain medicine, the Napa Pain Conference (NPC) has provided decades of unparalleled networking with leaders in clinical practice, research, and industry.

For over 30 years, the Napa Pain Conference has delivered a program of the highest quality, bringing together healthcare professionals and researchers to share the latest advances in pain management and treatment.

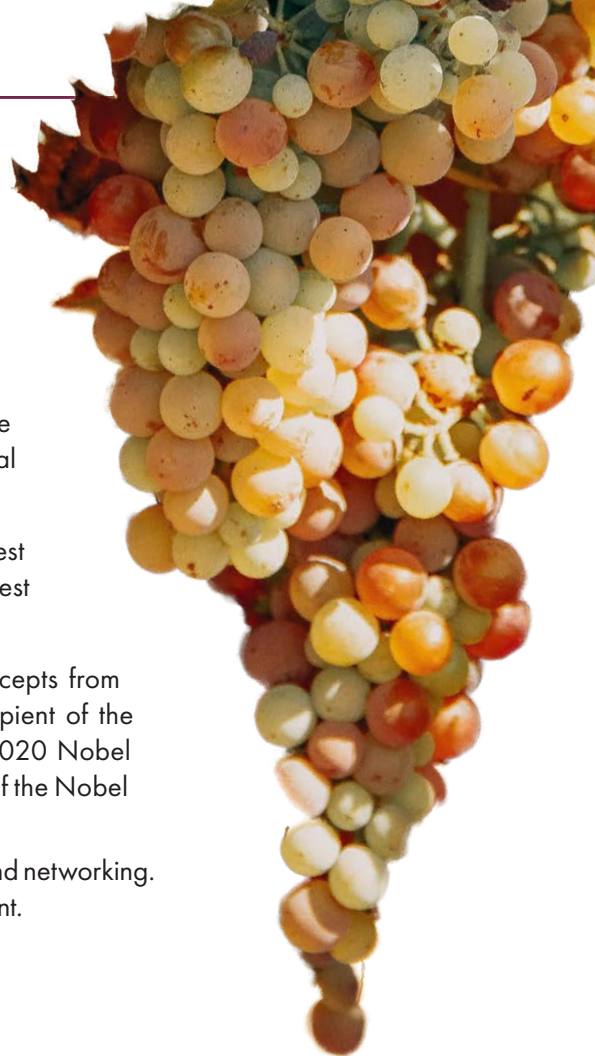

NPC continues to advance a standard of excellence, integrating advanced concepts from research pioneers, including Nobel-prize winners Bruce Beutler, MD, 2011 recipient of the Nobel Prize in Physiology or Medicine; Jennifer Doudna, PhD, recipient of the 2020 Nobel Prize in Chemistry; and most recently Elizabeth H. Blackburn, PhD, 2009 recipient of the Nobel Prize in Physiology or Medicine.

The Napa Pain Conference has set the bar for quality education, breaking research, and networking. This is your opportunity to connect with the leaders and providers in pain management.

Be a part of the legacy.

Be a part of the innovation.

Be a part of the Napa Pain Conference.

"I came last year because it was Napa. I am back this year, as last year was the BEST pain conference I can ever recall attending over the last 20+ years!"

MARK A. WORKMAN, MD
The Pain Rehabilitation Group

"I have never been to a conference in my life that was this well put together, with such amazing content"

KARL-HEINZ SPITLER, MD, MBA
Chief of Anesthesia, Eastern Main Medical Center

SUPPORTING

Global Innovation

HEALTHROOTS
- FOUNDATION FOR GLOBAL HEALTH -

The Napa Pain Conference benefits the HealthRoots Foundation for Global Health, a 501(c)(3) non profit supporting health initiatives in low-resource communities around the world.

Eric J. Grigsby, MD, MBA founded the Napa Pain Conference in 1990 while establishing the UC Davis pain management program. Dr. Grigsby recognized the need for a conference where everyday practitioners could get together, build a community, and share stories, successes, and challenges in treating persons with chronic pain.

Over 6,000 members

Neuroventions Education services a community of more than 6,000 learners. Clinicians increasingly turn to online learning and Neuroventions Education for the best resources in pain management and neuroscience.

LEADING Industry Reinvention

Innovation is a virtue of Neuroventions. The Napa Pain Conference was the first fully-digital CME conference for pain management, offered in response to COVID-19.

After setting the standard for online conferences, Neuroventions Education leveraged our expertise in learning science, event production, and clinician education to advance medical education for the post-pandemic era.

The result is an expanding community of clinicians, researchers, and industry partners.

ABOUT

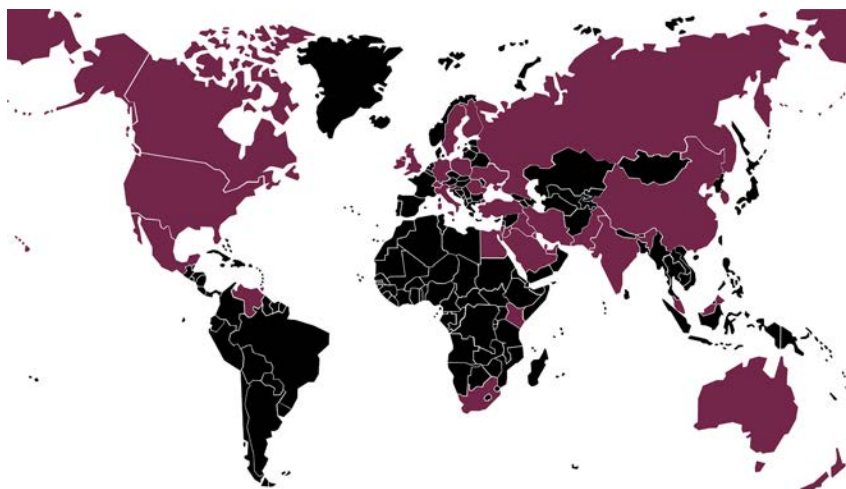

Neuroventions Education

Neuroventions Education designs national conferences in pain, neuroscience, the management of chronic conditions, and emerging medicine. We take pride in creating opportunities for learning, collaboration, and networking.

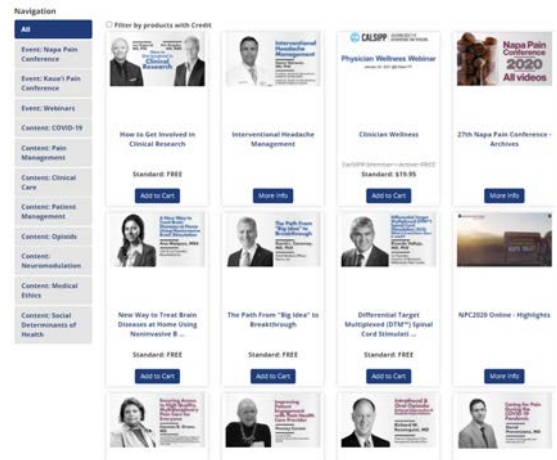

Welcome to the perfect blend of the education, research, public policy, and cutting-edge science.

Accreditation

Neuroventions Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Welcome to the Education Hub

"The technology was utilized extremely well, I did not expect it to be anywhere near perfect; for me this is a superior way to learn. Its like having a private room at the NFL stadium with TV and restrooms & food/ beverage and be able to see all the players and the game more clearly over the last 20+ years!"

LARRY ROSENFELD, MD

Medical Director, Baylor Scott and White Texas Spine and Joint Hospital

GLOBAL ENGAGEMENT

Learners from over 37 countries, and every US state and territory participated since NPC2021.

A Growing Community of Leaders

The Napa Pain Conference (NPC) has cultivated connections with attendees since 1990.

Through a multi-level program constructed by the Program Committee, NPC addresses opportunities, challenges, and newest strategies in pain management that attract new clinicians year over year.

Join the Conference and celebrate the advancement of pain medicine.

Audience

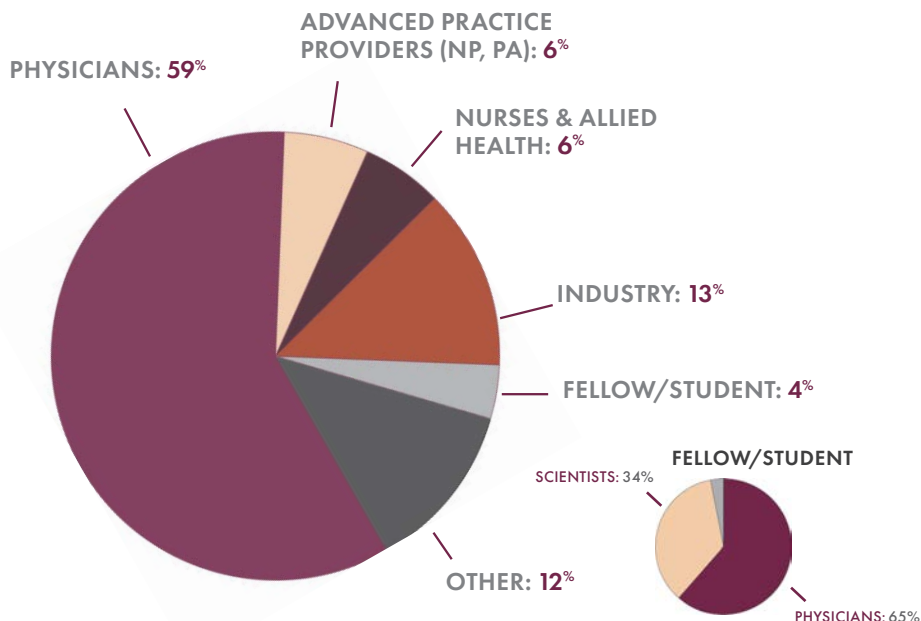

NPC attracts predominantly senior, director-level physicians mixed with early and mid-career physicians, private practice owners, advanced practice providers, researchers, industry, students, and pharmacists.

Outreach

NPC web, email, and print campaigns reach over 38,000 clinicians in pain management, family practice, anesthesia, neuroscience and regenerative medicine.

Connections

An unparalleled ratio of clinicians-to-industry representatives enables greater access to providers.

High-impact Sponsorships

THE BEST DEALS, EXCLUSIVE ITEMS, AND PRIORITY SELECTIONS

Every \$1 spent on physician CME events and meetings generates \$3.56 in increased revenues.

Sponsor & Exhibitor Application

Any actions that are not in accordance with this agreement may result in the removal of the exhibiting company and its representatives from the activity site, in which case no refund will be allowed. Further, additional measures such as banning the representative and/or vendor from future involvement in Neuroventions Education activities may occur.

Rules & Requirements

CME activities, including participant selection, facility arrangements, program content, and format are the exclusive responsibility of Neuroventions Education, which reserves the right to add, delete, or change any terms, conditions, regulations, and decisions pertaining thereto. Neuroventions Education reserves the right to exercise its sole discretion to accept or refuse a prospective exhibitor's application or registration.

Exhibitors are responsible for obtaining appropriate licenses for any copyrighted materials, audio, and/or video utilized as part of an exhibit.

Standards for Integrity and Independence in Accredited Continuing Education

The applying company agrees to adhere to the ACCME Standards for Integrity and Independence in Accredited Continuing Education.

Arrangements for advertising will not influence educational planning, faculty selection, delivery, and evaluation of accredited education, or be a condition of the provision of financial or in-kind commercial support. Nor will advertisers interfere with the presentation of the education. Commercial entities may not discuss or influence the planning or presentation of CME content with speakers or planners of the activity.

Providing grants and/or other commercial support (financial or in-kind) for Continuing Medical Education (CME) activities does not influence booth space or assignment decisions. Exhibiting or otherwise advertising is not contingent upon the provision of an educational grant or other commercial support and may be purchased even if no grant is provided. Similarly, commercial support may be provided without advertising and is not contingent upon agreements to advertise or exhibit at the event.

Company representatives will not engage in sales or promotional activities while in the space or place of the CME activity (regardless of in-person or online delivery). Accordingly, any time a Company representative enters the educational space to observe the educational activity, they must refrain from asking questions or leading the discussion in any way that could be construed as sales or promotional activity.

In-person Exhibits

Exhibit Dimensions

Exhibit displays may not exceed associated table-top or booth dimensions:

- 10'x10' or 20'x10' for sponsor booths
- 6 linear feet for table-tops

For example, a table-top exhibit with 10' backdrop is **not** permitted and would need to be dismantled. If an exhibitor refuses to modify or dismantle a display to comply with this policy, the exhibitor's participation in the event will be canceled, and the display will be removed for them without refund.

Company displays and materials are limited to the space and place of their exhibit. Materials may not be distributed outside of a company's exhibit space and booth/table display.

Audio Visual Use

Audiovisual equipment as part of a display is acceptable; however, sound equipment must be regulated so that it doesn't disturb neighboring exhibitors (providing headsets for attendees is acceptable). In addition, spectators may not obstruct aisles or interfere with access to other exhibits.

Conference staff reserve the right to determine when sound levels from equipment constitutes interference with others or is unacceptable. In such an event, sound must be reduced or equipment will be removed at the exhibitor's expense.

Sponsor & Exhibitor Application

Rules & Requirements

In-person Exhibits

Exhibitor Staff

Each and every member or guest of an exhibitor's company attending the Conference must be pre-registered for the event, with their own registration; badges may not be 'shared' between individuals.

All company employees, representatives and guests are required to wear conference-issued exhibitor badges at all times, in an unobstructed manner, while in the function space. Badges may not be altered in any manner. Company badges are not acceptable in lieu of official conference badges.

Exhibits must be staffed each day during exhibit hours. Representatives are expected to dress and conduct themselves in a professional manner consistent with a medical education meeting.

Representatives and employees of Neuroventions Education shall have free access to any exhibit at all times in the performance of their assigned duties.

Exhibits are required to remain in place during the conference. Contact Education@Neuroventions.com in the event that special arrangements are required. No exhibit may be dismantled or packed prior to the official closing of the exhibition, and exhibit dismantling must be completed during the hours specified.

Representatives will follow all COVID-19 protocols set by the Organizers, the State of California, and the CDC.

Respect the Host Location

Exhibitors may not install any permanent fixtures or deface property in any way. Upon completion of the activity, exhibitors are expected to leave the exhibit space in the same condition that it was received.

Items and services, such as extra trash cans or wired internet, maybe contracted directly with the property and property's contractors (as applicable and available) at exhibitor's expense.

Balloons are not permitted as part of an exhibitor's display.

Photographing another exhibitor's booth is grounds for cancellation of an offending exhibitor's booth, at sole discretion of Neuroventions Education. Exhibitors will not be entitled to a refund in such a situation.

Accessibility

Advertisers are reminded to construct their exhibit spaces in full compliance with the Americans with Disabilities Act (ADA).

Registrations

Each and every member of an exhibitor's company attending the Conference must be pre-registered for the event, with their own registration; badges may not be 'shared' between individuals. Access will only be granted to those who have registered and are actively logged in to the Conference website.

Exhibitor Materials

Promotional materials may be reviewed by Conference staff and are subject to removal if deemed offensive, dangerous or misleading. Any such removal will be made at the discretion of Conference staff and removal of such will not entitle an exhibitor to refunds or return of payment of any kind. A vendor may submit new materials for review and reinstatement, provided that there is suitable time to administer a replacement.

Exhibitors are responsible for obtaining appropriate licenses for any copyrighted materials, audio, and/or video utilized as part of an exhibit.

Setup & Tear-down

Exhibitors ensure that their exhibits are set-up, and dismantled in a timely, professional manner.

Exhibitors are responsible for shipping their materials to and from the conference, and it is important to bring your own shipping supplies. Neither the venue, nor Neuroventions Education will supply waybills, shipping forms, or packing materials.

Sponsor & Exhibitor Application

Rules & Requirements

Event Photography And/Or Video

Photographs and/or video and/or audio recordings will be taken by Neuroventions Education/NPC. By taking part in this event you grant the event organizers full rights to use the images resulting from the photography/video filming, and any reproductions or adaptations of the images for fundraising, publicity or other purposes to help achieve the group's aims. This might include (but is not limited to) the right to use them in printed and online publicity and social media applications. This applies to the use of your name/likeness that may display in any exhibit sections, chat, video display and presentation, or sections not listed here but associated with the conduct of the conference.

Capturing images, video, audio or otherwise preserving the contents or likeness of content displayed on, or in conjunction with, the Conference by anyone not employed by or directly representing the Conference is strictly prohibited.

Audiovisual equipment as part of a display is acceptable; however, sound equipment must be regulated so that it doesn't disturb neighboring exhibitors (providing headsets for attendees is acceptable). In addition, spectators may not obstruct aisles or interfere with access to other exhibits.

Conference staff reserve the right to determine when sound levels from equipment constitutes interference with others or is unacceptable. In such an event, sound must be reduced or equipment will be removed at the exhibitor's expense.

Exhibitors are responsible for obtaining appropriate licenses for any copyrighted materials, audio, and/or video utilized as part of an exhibit.

Indemnification

Neuroventions Education, the Napa Pain Conference, and any of its officers or staff members will not be responsible for the safety of the property of the Company from theft, damage by fire, accident, or other causes. Neither Neuroventions Education, the Napa Pain Conference, and any of its officers, staff, agents, or representatives, shall be held accountable or liable for, and the same are hereby released from accountability or liability for, and damage, loss, harm, or injury to the person or any property of the Company from theft, fire, or other causes.

Company shall indemnify and save harmless Neuroventions Education from any and all losses, costs, damages, liability and expenses (including reasonable attorney fees) that may arise as a result of the acts or omissions of officers, directors, employees, or agents exhibiting at the CME conference.

Ancillary Events

No activities shall be scheduled by the Company, its employees, agents, or representatives to take place on the premises and during the time of the Conference without the express written permission of Neuroventions Education.

Commercial firms which exhibit at the meeting will not be permitted to conduct or organize educational activities, presentations, or meetings in Napa during the days of the Conference.

Ancillary events may not conflict with any educational sessions, events, exhibit hours, corporate showcases, or corporate symposia scheduled during the Conference.

- All events require prior approval from Neuroventions Education in writing.
- Scheduling, including transportation, must begin no sooner than 30 minutes before or after any activity during the Conference.

Companies may not utilize any faculty, staff, advisor, or otherwise-engaged individual who is contributing to the Napa Pain Conference.

Any firm failing to comply with these rules will have their exhibit/advertising/sponsorship revoked and no refund will be made.

Rules & Requirements

Giveaways

Giveaways of items with company logos, brand logos, or slogans readily visible are NOT permitted at the Napa Pain Conference.

Companies regulated by the Pharmaceutical Research and Manufacturers of America's (PhRMA) codes governing interactions with healthcare professionals and the Advanced Medical Technology Association (AdvaMed), will be limited to giveaways allowed under such rules and codes of conduct. These items are those designed primarily for the education of patients or healthcare professionals. Due to these codes, companies regulated by PhRMA or AdvaMed are not allowed the following giveaways: pens, pencils, notepads, small desk clocks, pocket calculators, desk calendars and mouse-pads.

Prescription drug samples may be distributed to physicians only in accordance with the Prescription Drug Marketing Act.

Distribution of approved items must not create a nuisance or cause interference with adjoining exhibits.

FDA Requirements

Exhibitors shall comply with all applicable US Food and Drug Administration (FDA) regulations, including without limitation, FDA restrictions on the promotion of investigational and preapproved drugs and devices and the FDA prohibition on promoting approved drugs and devices for unapproved uses. Any product not FDA-approved for a particular use or not commercially available in the US may be exhibited only if accompanied by easily visible signs indicating the status of the product.

Display of Drugs & Devices not approved by the FDA

Any investigational product that is graphically depicted within an exhibit or marketing material is subject to the following rules:

- Contain only objective statements about the product,
- Contain no claims of safety, effectiveness, or reliability,
- Contain no claims about how the product compares with marketed products,
- Must be accompanied by directions for becoming an investigator and a list of investigator responsibilities, and
- Prominently display the statement "Caution— Investigational Device—Limited to Investigational Use" on the product in a type size that is easy to read.

Exhibitors agree not to sell, promote, or distribute in any fashion any non-approved product, in whole or in part, during or in connection with the meeting to U.S. attendees. Exhibitors may, however, conduct sales activities for, and market and promote, non-approved products, solely to attendees who are non-U.S. doctors, exclusively for sales outside the United States, provided that such activities are in compliance with the relevant laws of any such non-U.S. jurisdiction. In accordance with U.S. Law, exhibitors may not sell and deliver Non-FDA approved products to U.S. physicians at the meeting. Exhibitors may sell and deliver Non-FDA approved products to non-U.S. physicians as long as they adhere to all applicable U.S. laws and regulations.

You can find further information and guidance on the subject at www.fda.gov.

Penalties for non-compliance to the FDA rules and regulations include:

- Neuroventions, at its sole discretion, will immediately shut down the exhibitor's booth for the remainder of the meeting.
- The exhibitor will not be entitled to a refund.
- The exhibitor may face legal action from the U.S. government for failing to comply with the appropriate rules and regulations.
- The exhibitor may not be invited to participate in future meetings.

Easily visible labels stating "This device is not cleared by the FDA for distribution in the United States" or "This device is limited by federal law to investigational use only" must be placed near the device or drug and on any graphic depicting the device or drug.

Sponsor & Exhibitor Application

Rules & Requirements

Application

This is an application to exhibit. Submitting the application indicates acceptance of these terms and conditions and will be held as a valid liable contract.

All exhibitor applications are subject to review and approval by Neurovations Education.

Neurovations Education, at its sole discretion, shall determine the eligibility of any company, product, or services. Neurovations Education may reject application of any company whose display of goods or services is not compatible, in the sole opinion of Neurovations Education, with the educational character and objectives of the exhibition. In the event an application is not accepted, any paid space rental fees or deposits will be returned. The agreement is binding upon receipt and acceptance by Neurovations Education. Misrepresentation of a company's products or services voids your exhibitor agreement without a right to refund.

Neurovations Education reserves the right to modify layouts, placements, and locations of exhibit and advertising items, as an absolute necessity, with no obligation to provide compensation to exhibitors/supporters.

Cancellations

Written cancellation notice must be received via fax, mail, or email by July 3, 2023 to receive a 50% refund on the full amount of the exhibitor/sponsorship opportunity requested. No refunds will be given after this date.

If the conference cannot take place due to acts of God, war, government regulations, disaster, strikes, civil disorder, or curtailment of transportation facilitating other emergencies making it inadvisable, illegal, or impossible to provide the facilities or to hold the meeting, each prepaid registrant/exhibitor will receive a copy all materials that would have been distributed. Fixed conference expenses will be paid from the pre-registration funds. Remaining funds will be refunded to pre-registrants/exhibitors. Neurovations Education is not responsible for any other costs incurred by pre-registrants/exhibitors in connection with the conference.
